To Whom It May Concern:

"Everything That Grows" has been our interior plant specialist for almost two years. Since they took over they have made dramatic improvements. They deliver quality service with the most courteous personnel.

For anyone seeking excellent horticultural service, I would highly recommend Nancy and Sue. I'm sure I speak for all of us in Centereach, Westbury, Massapequa, and Brooklyn who have had the pleasure of working with them. Please feel free to stop by the Centereach location to see their excellent work.

Best Regards,
